**Sandy** got her first pony at 6, was competing at State level by 16 and has since trained and competed her own horses up to 3\* eventing, coached beginners through to the Korean team in the Asia Pacific Challenge Trophy and numerous other riders who've gone on to excel in show-jumping and eventing. Her extensive experience in the saddle and on the ground enables her to quickly identify what you and your horse need to do to get to the next level.

**Sandy's** running show-jumping lessons for small groups at GEC home grounds the first Tuesday of each month, commencing 4 February. Cost: \$55 for GEC members, \$65 for non-GEC (must be EA) members for group lessons, and \$90 / \$100 respectively for individual lessons if time permits. Advance bookings (with payment) essential so we can organise the schedule. Please let us know the height you're jumping when booking by text or email.
